

## Share your thoughts on the future of Clayton County!

Clayton County is updating its goals for housing, economic development, transportation, agriculture, natural resources and more. Public input is essential to gauge what has worked so far and where the county can go from here. At upcoming **Think Tank** meetings the public can review research and help establish strategies for accomplishing a vision for Clayton County. **All meetings will be held at the Clayton County Building in Elkader (600 Gunder Rd) from 6:30 – 8:30 pm.** Hope you can come!
