CITY OF FAYETTE REVOLVING LOAN FUND (RLF)

Purpose: The purpose of the City of Fayette's Revolving Loan Fund (RLF) is to provide "gap" financing to new and expanding businesses for which credit is not otherwise available on terms and conditions, which permit completion and/or the successful operation of proposed business activities.

Eligible Projects: Any business improvement or start-up project in the City of Fayette is an eligible project. Project activities which can be funded with RLF funds include, but are not limited to: land acquisition, site preparation, building acquisition, building construction, building remodeling, machinery and equipment, furniture and fixtures, and working capital for business start-up and expansion activities.

Limitations on loans from the RLF:

- RLF funds will not be used to produce agriculture products through growing, cultivation, and harvesting either directly or through horizontally integrated livestock operations.
- RLF funds will not be used to finance comprehensive area-wide type planning. This does not preclude the use of grant funds for planning for a given project.
- RLF funds will not be used to fund a part of a project which is dependent on other funding unless there is a firm commitment of the other funding to ensure completion of the project.
- Loans will be made only to "small and emerging private business enterprises" as defined "Any private business that will employ 50 or fewer new employees and has less than \$1M in projected gross revenues."
- At least 51% of the outstanding interest in the applicant must be owned by those who
 are either citizens of the United States or reside in the United States after being legally
 admitted for permanent residence.
- Applications by members of the Fayette RLF loan committee, city council, mayor, city administrator/clerk and their immediate family members shall be ineligible for funding (CONFLICT OF INTEREST). Immediate family includes individuals who are closely related by blood, marriage, or adoption. Or live within the same household, such as a spouse, domestic partner, parent, child, brother, sister, aunt, uncle, grandparent, niece, or nephew.

Eligible Applicants: Applicants eligible for RLF funds include, but are not limited to: individuals, partnerships, businesses, corporations, and non-profit organizations in the City of Fayette. Municipalities and county governments are not eligible applicants.

Application Procedure: Applications for the RLF will be accepted by the City of Fayette on a continuous basis. The Loan Review Committee will review completed applications within 30 days of receipt. Applicants will be formally notified of approval, contingency approval, or denial within 10 days of the review. To apply, applicants will need to submit an RLF application to the Committee at the address listed at the top of this page.

PROGRAM CRITERIA:

- **1.** Project must involve a minimum of 5% personal equity.
- **2.** Applicant can apply for up to 95% of the total project costs.
- **3.** Minimum loan is \$5,000, maximum loan is \$50,000, subject to the level of funding available in the fund.
- **4.** Interest Rate typically will be 1% over prime not to exceed 5%. Rate is fixed and set at the time of application.
- **5.** The maximum term of the loan is 7 years. The loan may be amortized over a shorter term.
- **6.** Automatic payments will be required.
- **7.** The City of Fayette reserves the right to recall any RLF loan if the above requirements are not met.

APPLICATION REQUIREMENTS:

- 1. A one (1%) percent loan origination fee plus any additional closing fees (e.g. mortgage filing, UCC filing, title filing) will be collected at the time of loan closing. Fees are to cover administrative costs of the program. Application fees cannot be included in the loan amount.
- **2.** One or more of the following will secure a revolving loan: a lien on real estate; a lien on fixtures, furnishing, machinery, and equipment; a personal or corporate guarantee.
- **3.** Borrower will be required to sign a promissory note.
- **4.** Revolving loan funds cannot be used for refinancing existing debt.
- **5.** Most revolving loans will be repaid in equal monthly payments. Loan amortization will be based on the needs of the borrower.

Approved borrowers will be subject to the following:

- 2. Lender's loss payable endorsement
- **3.** Annual site visits
