Fayette County Local Housing Trust Fund Annual Meeting Announced

The Fayette County Local Housing Trust fund will hold its fifth annual meeting on Wednesday, August 15th at 3:00 p.m. at the Fayette Library ICN room. Citizens and officials from Fayette County communities and the rural area are invited to attend this public meeting and learn about the Housing Trust Fund, its application procedures and the types of home repair projects funded thus far. Community feedback on our Housing Assistance Plan is important to the process, and copies will be available for review. Treats will be provided.
