INTRODUCTION TO RPA-1

Upper Explorerland Regional Planning Commission (UERPC) serves as the Regional Planning Affiliation (RPA-1) for the counties of Allamakee, Clayton, Fayette, Howard, and Winneshiek in Northeast Iowa. The Transportation Improvement Program (TIP) provides documentation of the planned federal- and state-aid investments in transportation over the next four federal fiscal years in this region. The RPA-1 Transportation Policy Board serves as the decision-making body for RPA-1 and is committed to distributing transportation funding in a fiscally responsible manner. This document reflects a multimodal transportation system and includes funding for transit, walking, bicycling, and roadway projects.

A large portion of funding for transportation improvements comes from the federal government. Accurately estimating future federal funding levels is dependent on having a multiyear federal transportation authorization bill. The Infrastructure Investment and Jobs Act (IIJA), also known as the Bipartisan Infrastructure Law, was signed into law by President Biden on November 15, 2021. It brings welcome stability and predictability to our region's federal transportation funding for federal fiscal years 2022 to 2026.

The five counties in RPA-1 cover an area of 3,313 square miles. There are 52 incorporated communities within the region. As of the 2020 census, five cities have populations over 2,500 and seven other communities have populations over 1,000. The 2020 population for the combined five counties is 80,152 persons, a decrease of 4.54% since the 2010 census. With a regional population density of approximately 24 persons per square mile, residents across the region may spend a considerable amount of time traveling for employment, healthcare, and shopping. As a corollary, a safe, efficient, and equitable multimodal transportation system is essential to the residents of this largely rural, low-population-density region.

POLICY BOARD AND COMMITTEE LISTS

The RPA-1 **Transportation Policy Board** is comprised of representation from each of the five counties and the two cities in the region with populations over 5,000—Decorah and Oelwein. The Policy Board exercises programming authority for Surface Transportation Block Grant (STBG) funding allocated to the region—including STBG funding which is swapped for state funding on road and bridge projects and that which is used for transportation alternatives—in accordance with state and federal rules and regulations.

Supporting the Policy Board are committees whose memberships represent specific areas of expertise and/or interest. The **Technical Committee**, which consists of the five county engineers and representatives from Decorah and Oelwein, advises the Policy Board on matters of roadway maintenance and operations and recommends projects to receive funding. The **Enhancement Committee** consists of the five county conservation board directors and other regional stakeholders with interests in regional trails, walking and bicycling, and various tourism and economic development activities. The Enhancement Committee also recommends projects for funding, with a specific focus on building out the region's system of paved, multi-use trails. The **Transportation Advisory Group (TAG)** advises the Policy Board on passenger transportation matters and works to provide a coordinated system that supports those who do not have access to personal transportation options or who choose not to drive or own a car. This group consists of local transit representatives, private transportation providers, human services providers, and others concerned with transportation for non-drivers.

Transportation Policy Board

NAME	TITLE	COUNTY/CITY/AGENCY
Larry Schellhammer	County Supervisor	Allamakee
Ray Peterson	County Supervisor	Clayton
Janell Bradley	County Supervisor	Fayette
Dean Eastman	County Supervisor	Howard
Mark Vick*	County Supervisor	Winneshiek
Lorraine Borowski	Mayor	City of Decorah
Brett DeVore	Mayor	City of Oelwein
Non-voting and ex-officio members:		
Krista Billhorn	District 2 Planner	Iowa Department of Transportation
Rachelle Howe	Executive Director	UERPC
Aaron Detter	Senior Transportation Planner	UERPC
Lori Egan	Transportation Director	NEI Community Action - Regional Transit

*Chairperson

Transportation Technical Committee

NAME	TITLE	COUNTY/CITY/AGENCY

Clara Muggli-Toyloy	Intercultural Engagement and Student Success	Luther College
Shannon Nix	Director of Student Engagement and Leadership	Upper Iowa University
Aaron Detter	Senior Transportation Planner	UERPC

ABOUT THE TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

The TIP serves as a list of Iowa DOT and locally sponsored federal-aid eligible and State Swap-eligible surface transportation improvements within the RPA-1 region over the next four years. The projects identified within this document may receive state and federal funding from a number of different sources. Federal funds are distributed through a variety of methods, some through formula, others are discretionary (earmarked), and some by a competitive grant process. Some of the state and federal funding sources for streets, roads, bridges, trails, and transit in the RPA-1 region include:

- **Highway Safety Improvement Program (HSIP)**: Provides funding to improve the safety of streets and roads for all system users with a goal of reducing crashes causing fatalities and serious injuries. Portions of these funds are set aside for high-risk rural roads and railway-highway crossings.
    - Highway Safety Improvement Program – Secondary (HSIP-Secondary). This program is being funded using a portion of Iowa's Highway Safety Improvement Program and funds safety projects on rural roadways.
- **National Highway Performance Program (NHPP)**: Funds available to the State for use on the National Highway System, including some state and U.S. highways and interstates.
- **Surface Transportation Block Grant (STBG) Program**: One of the main transportation funding sources for the region, these funds may be used for projects on federal-aid eligible routes, bridge projects on any public road, transit capital improvements, TAP-eligible activities on any public right-of-way, and planning.
- **STBG Highway Bridge Program (STBG-HBP)**: Although the Highway Bridge Program was eliminated by MAP-21 (federal transportation bill that preceded the FAST Act), Iowa provides STBG funding directly to counties for bridges on public roads, both on and off the federal-aid system.
- **Iowa's Transportation Alternatives Program (Iowa's TAP)**: Regional STBG funding for transportation enhancement projects is provided to the RPA-1 region through Iowa's TAP program. Iowa's TAP funds can be used for projects that improve the cultural, historic, aesthetic, and environmental aspects of transportation infrastructure and can include bicycle and pedestrian facilities, restoration of historic transportation facilities, environmental mitigation activities, overlooks and viewing areas, paved multi-use paths, and Safe Routes to School projects among others.
- **Recreational Trails Program (RTP)**: This program provides federal funding for both motorized and non-motorized recreational trail projects and is funded through a set-aside from Iowa's TAP funding. The decision to participate in this program is made annually by the Iowa Transportation Commission.
- **State Recreational Trails (SRT) Program**: This program provides funding to establish various types of recreational trails.
- **Federal Lands Access Program (FLAP)**: Funding for projects that improve access within and to federal lands.
- **City Bridge Program**: A portion of STBG funding that is set aside and dedicated to local bridge projects within cities. The state awards funds to eligible projects based on specific rating criteria and bridges need to be classified as structurally deficient or functionally obsolete.
- **Primary Road Fund (PRF)**: State DOT-controlled funds spent throughout the state.
- **Demonstration funding (DEMO)**: Funding from several different programs and sources that the FHWA administers for discretionary programs and special funding categories.
- **Capital Only Program (Bus and Bus Facilities Formula Grants) (Section 5339)**: Federal transit funding that is limited to capital projects to replace, rehabilitate, and purchase buses and bus-related equipment, and to construct bus-related facilities.

- **Non-urbanized Area Formula (Section 5311)**: Provides capital and operating assistance for rural transit systems, allocated based on performance in the prior year.
- **Non-urbanized Area Formula Assistance Program (Section 5311)**: This program provides federal funding for support of transit activities (operating, capital, planning, and job access and reverse commute assistance) in rural areas
    - Rural Transit Assistance Program (RTAP) (Section 5311[b][3]): This funding is used for statewide training events and to support transit funding fellowships for regional and small urban transit staff or planners
- **Bus and Bus Facilities Program (Section 5339)**: This program provides federal assistance to replace, rehabilitate and purchase buses and related equipment and to construct bus-related facilities
- **State Transit Assistance (STA)**: Funding for public transit systems that can be used for operating, capital or planning expense
    - STA Special Projects: Each year up to $300,000 of the total STA funds are set aside to fund "special projects." These can include grants to individual systems to support transit services that are developed in conjunction with human services agencies
    - STA Coordination Special Projects: These funds provide assistance with the startup of new services that have been identified as needs by health, employment, or human services agencies participating in the passenger transportation planning process.

2022 PROJECT STATUS REPORT

The table below indicates the status of the projects that had funding programmed in FFY 2022 in the previous year's TIP, organized by funding source. It serves as a progress report for the RPA-1 transportation program.

National Highway Performance Program (NHPP)		
Sponsor	**Location/Description**	**STATUS**
Iowa DOT	US52: SCL TO W OF RR IN CASTALIA	Authorized/Let
Iowa DOT	US52: ECL OF OSSIAN TO CO RD B32 (STATE SHARE)	Authorized/Let
Highway Safety Improvement Program (HSIP)		
Sponsor	**Location/Description**	**STATUS**
Iowa DOT	US52: MILLVILLE TO GUTTENBERG	Authorized/Let
Swap - Highway Safety Improvement Program (SWAP-HSIP)		
Sponsor	**Location/Description**	**STATUS**
Fayette County	On B44 from W14 to HWY150	Authorized/Let
Primary Road Fund (PRF)		
Sponsor	**Location/Description**	**STATUS**
Iowa DOT	US52: UPPER IOWA RIVER 1.8 MI N OF IA 9	Authorized/Let
Iowa DOT	IA76: IN MCGREGOR FROM BUELL AVE TO RIVER ST	Authorized/Let
Iowa DOT	US18: MISSISSIPPI RIVER IN MARQUETTE (STATE SHARE)	Authorized/Let
Iowa DOT	IA9: MISSISSIPPI RIVER IN LANSING (STATE SHARE)	Authorized/Let
Surface Transportation Block Grant (STBG)		
Sponsor	**Location/Description**	**STATUS**
RPA-1	UERPC RPA-1 TRANSPORT PLANNING	Authorized/Let
Iowa DOT	IA 13: 0.5 miles N of IA 3 to IA 56	Authorized/Let
Iowa DOT	IA76: CLAYTON CO TO 0.2 MI W OF THE E JCT CO RD X32	Authorized/Let
Surface Transportation Block Grant - Highway Bridge Program (STBG-HBP)		
Sponsor	**Location/Description**	**STATUS**
Fayette County	On 240TH ST, Over TURNER CREEK, S2 T94 R09	Authorized/Let
Iowa's Transportation Alternatives Program (Iowa's TAP)		
Sponsor	**Location/Description**	**STATUS**
Winneshiek County Conservation Board	Trail Bridge (Phase VII) On Dry Run Trail, Over Dry Run Creek	Authorized/Let
Winneshiek County Conservation Board	Trail Bridge (Phase VI) On Dry Run Trail, Over Dry Run Creek	Rolled over to FFY 2023-2026 TIP
Winneshiek County Conservation Board	On Dry Run Trail, Over Dry Run Creek, 1/4 mile W of Iowa-9/US-52 intersection	Rolled over to FFY 2023-2026 TIP
Recreational Trails Program (RTP)		
Sponsor	**Location/Description**	**STATUS**
Howard County Conservation Board	Prairie's Edge Nature Ctr to 7th Ave SW (PST) - IA 9 E of Cresco (PFRT) - How/Winn line (PFRT)	Authorized/Let

Highway Bridge Program (HBP)		
Sponsor	**Location/Description**	**STATUS**
Iowa DOT	IA9: LITTLE WAPSIPINICON RIVER 0.1 MI W OF CO RD V10	To be let Oct. 2022
Iowa DOT	A9: CRANE CREEK 1.4 MI W OF CO RD V26	To be let Oct. 2022
Swap - Highway Bridge Program (Swap-HBP)		
Sponsor	**Location/Description**	**STATUS**
Allamakee County	On Ellingson Bridge Drive, Over PATTERSON CREEK, S29 T99N R06W	Rolled over to FFY 2023-2026 TIP
Clayton County	On 250TH ST, Over DRY MILL CREEK, in N1/4 S20 T93 R04	Authorized/Let
Decorah	On POLE LINE RD, Over DRAINAGE, S8 T98 R08	Authorized/Let
Fayette County	On H AVE, Over GUNDLACH CR, S13 T91 R08	Authorized/Let
Fayette County	On V 62, Over TRIB TO WAPSIE RIVER, S7 T92 R10	Authorized/Let
Fayette County	On Y AVE, Over SMALL STREAM, S31 T94 R10	Authorized/Let
Howard County	On Vale Rd, Over Nichols Creek, S22 T100 R11	Removed from Program
Howard County	On A46, Over Crane Creek, S14 T98 R13	Rolled over to FFY 2023-2026 TIP
Winneshiek County	On W 20, Over UPPER IOWA RIVER, S6 T98 R08	Authorized/Let
Swap - Surface Transportation Block Grant (Swap-STBG)		
Sponsor	**Location/Description**	**STATUS**
Allamakee County	On A26, from X20 Intersection 6.3 miles to IA 26	Authorized/Let
Fayette County	On W14, from 60th St to 150th St	Authorized/Let
Federal Transit Administration 5311		
Sponsor	**Location/Description**	**STATUS**
NEICAC-Transit	General Operation/Maintenance/Administration	Authorized/Let
Federal Transit Administration 5339		
Sponsor	**Location/Description**	**STATUS**
NEICAC-Transit	Capital Replacement - Minivan - Unit Number 12052	Rolled over to FFY 2023-2026 TIP
NEICAC-Transit	Capital Replacement - Light Duty Bus - Unit Number 10185	Rolled over to FFY 2023-2026 TIP
NEICAC-Transit	Capital Replacement - Light Duty Bus - Unit Number 10187	Rolled over to FFY 2023-2026 TIP
NEICAC-Transit	Capital Replacement - Minivan - Unit Number 12053	Rolled over to FFY 2023-2026 TIP
NEICAC-Transit	Capital Replacement - Minivan - Unit Number 12054	Rolled over to FFY 2023-2026 TIP
NEICAC-Transit	Capital Replacement - Light Duty Bus - Unit Number 11184	Rolled over to FFY 2023-2026 TIP

PROJECT SELECTION PROCEDURES

Surface Transportation Block Grant Program (STBG)

All public agencies and local governments with jurisdiction over public rights-of-way for transportation (including walking and bicycling facilities), public transit responsibilities, or transportation planning responsibilities within the RPA-1/UERPC boundaries are eligible to apply for STBG funds. Projects must meet the following eligibility requirements:

1) Must be located within or along the boundaries of RPA-1/UERPC.
2) Must be consistent with and supportive of the goals of RPA-1's Long-Range, Multimodal Transportation Plan, *Safe Mobility for Everyone*. The plan can be accessed at: https://tinyurl.com/y66sdgxg
3) Project Location
    I. Road projects must be located on a federal-aid route (roads with a federal functional classification of minor collector or higher in rural areas; any farm-to-market route; or on roads or streets with a federal functional classification of collector or higher in urban areas). Federal functional classification maps can be accessed at: https://iowadot.gov/maps/digital-maps/city-and-county-maps
    II. Bridge projects may be located on any public road.
    III. Infrastructure projects for pedestrians and bicyclists (sidewalks, crosswalk enhancements, bicycle lanes, paved multi-use trails), including modifications to comply with accessibility requirements of the Americans with Disabilities Act, may be located on any public road, street, or right-of-way, including those functionally classified as local roads.
    IV. Highway and transit safety infrastructure projects, including railway-road grade crossings, may be located on any public road.
    V. Transit projects and transportation planning projects must serve communities or areas in the RPA-1/UERPC region.
4) Applicants must share the project with the Board of Supervisors of the County in which the project is located for a review and recommendation. Approval of the Board of Supervisors is not required, but a letter or other documentation verifying review and making a recommendation on the project shall be included with the RPA-1 funding application.
5) For road and bridge projects, regional priority is to use the funds toward construction and final design, not feasibility studies, concept development, or preliminary estimating.
6) Have a minimum 20% matching funds. No in-kind or soft match. The matching funds must come from a non-federal funding source (i.e. local, state, or private).

Typically, the call for projects is announced in January. Aapplications are due in February and selected projects are programmed four years out. UERPC's transportation planner coordinates with IDOT to ensure project applications are eligible. The Transportation Technical Committee reviews all project applications to ensure consistency with RPA-1's Long-Range, Multimodal Transportation Plan (LRTP). Applicants are invited to speak on behalf of their projects in open meetings of the Technical Committee and Policy Board. After open discussion regarding applications, available funding, and LRTP consistency, the Technical Committee makes a funding recommendation to the Policy Board. The Policy Board considers and reviews all eligible applications received, considers LRTP consistency, considers the Technical Committee's recommendation, and makes final decisions for project funding and inclusion in the Transportation Improvement Program (TIP).

The RPA-1 Transportation Policy Board has decided that all federal-aid projects in the RPA-1 region that are eligible to be "swapped" for state funding will be swapped through IDOT's Swap program.

Iowa's Transportation Alternatives Program (Iowa's TAP)

Iowa's TAP funding comes from a separate federally designated portion of STBG dollars. All public agencies and local governments with jurisdiction over public rights-of-way for transportation (including walking and bicycling facilities), public transit responsibilities, or transportation planning responsibilities within the RPA-1/UERPC boundaries are eligible to apply for Iowa's TAP funding. Projects must meet the following eligibility requirements:

1) Must be located within or along the boundaries of RPA-1/UERPC.
2) Must be consistent with and supportive of the goals of RPA-1's Long-Range, Multimodal Transportation Plan, *Safe Mobility for Everyone*. The plan can be accessed at: https://tinyurl.com/y66sdgxg
3) Meet at least one of the eligible activities under Iowa's TAP as prescribed by the FAST Act and the Federal Highway Administration (FHWA)
4) Infrastructure projects for pedestrians and bicyclists (sidewalks, crosswalk enhancements, bicycle lanes, paved multi-use trails, etc.), including modifications to comply with accessibility requirements of the Americans with Disabilities Act, may be located on any public road, street, or right-of-way, including those functionally classified as local roads.
5) Have a minimum 20% matching funds. No in-kind or soft match. The matching funds must come from a non-federal funding source (i.e. local, state, or private).

Typically, the call for projects is announced in January and applications are sent to each city and county government, county conservation board, and other eligible applicants in the region. In addition, announcements are made electronically through UERPC's website, social media outlets, and e-newsletter. Applications are typically due at the end of February. Applications are scored and ranked on the following criteria:

1) Project Description (clearly articulated project purpose, need, merit, and readiness)
2) Matching Funds
3) Financial feasibility and ability to meet programming timelines
4) Project significance (local, regional, or statewide)
5) Consistency with the RPA-1 Long-Range Transportation Plan (LRTP), and other applicable plans as developed in the region
6) Economic or quality of life benefit (local, regional, or statewide)
7) Level of enhancement to the existing transportation system
8) Visitor points of interest
9) Benefit to select populations (children, elderly, low income, disabled)

UERPC transportation planner coordinates with IDOT to ensure project applications are eligible. The Transportation Enhancement Committee members ensure projects' consistency with RPA-1's Long-Range, Multimodal Transportation Plan, then review and score all applications. Applicants are invited to speak on behalf of their projects in open meetings of the Enhancement Committee and Policy Board. After open discussion regarding applications, available funding, and LRTP consistency, the Enhancement Committee makes a funding recommendation to the Policy Board. The Policy Board reviews all applications, considers the Enhancement Committee's recommendation, and makes final decisions for project funding and inclusion in the Transportation Improvement Program (TIP).

Highway Bridge Program (STBG-HBP and SWAP-HBP)

Bridge projects are selected on a county-level basis and while slight variations exist from county to county, all bridge projects are ranked based on the following input:

1) Bridge inspection reports
2) Traffic data
3) Classification of type and level of service
4) Proximity to proposed construction projects
5) New or relocating business needs (economic development)
6) Public input

County engineers weigh this input to develop a five-year plan that is presented to each county Board of Supervisors at a public meeting. Bridge projects are also publicly reviewed as part of the Transportation Improvement Program (TIP) and approved by the Transportation Policy Board. Each county is provided with Highway Bridge Program (HBP) funding targets by the Iowa DOT to ensure fiscally constrained project planning.

When programming local bridge projects in the RPA-1 TIP, county engineers are required to provide a minimum amount of descriptive language so that the project location can be identified on a map. Along with the route on which the bridge is located, local bridge project descriptions shall include the proper name of the waterway being crossed, a distance from an identifiable location such as an intersection, or the section township range, and identification of the FHWA structure number.

FEDERAL-AID AND STATE-AID PROJECT LIST

The following pages list all of the projects programmed for federal- or state-aid funding in federal fiscal years (FFY) 2023-2026 in the RPA-1 region. Projects are arranged by funding source/type.

HBP

Project ID / Sponsor / STIP ID	Project Number / Location / Work Codes	Approval Level / Letting Date		2023	2024	2025	2026	Totals
39257	BRF-9()--38-45	TIP Approved	**Total**	**$1,093,000**				**$1,093,000**

FISCAL CONSTRAINT

The RPA-1 region receives funding targets and previous-year unobligated balances from the Iowa DOT that are used to plan the region's projects in a financially feasible and fiscally constrained manner. RPA-1 uses the DOT projections for the amount of state and federal aid and allocates regional funding to projects without exceeding that total. Each year, projects that were previously in the TIP but delayed are reevaluated to ensure the estimated cost is still accurate and adjusted if necessary. For projects in future fiscal years, local sponsors are responsible for accounting for "Year of Expenditure" (YOE) dollars. On average local sponsors use a 4% per year inflation rate.

Fiscal constraint in RPA-1 for regional STBG/Swap and Iowa's TAP funding is demonstrated in the following two tables, which compare unobligated balances, the Iowa DOT-provided funding targets, and the programmed project funding for the next four years. Fiscal constraint for other programs—Highway Bridge Program (HBP), Highway Safety Improvement Program (HSIP), etc.—is reviewed by IDOT on a statewide basis, so no tables are provided in this document.

Regional STBG and STBG-Swap Fiscal Constraint Table

Year:	**FFY 2023**	**FFY 2024**	**FFY 2025**	**FFY 2026**
Unobligated Balance	$640,386	$135,603	$359,603	$661,603
RPA-1 STBG Target	$2,415,217	$2,462,000	$2,509,000	$2,558,000
Subtotal	**$3,055,603**	**$2,597,603**	**$2,868,603**	**$3,219,603**
Programmed STBG Fed-Aid & STBG-Swap	$2,920,000	$2,238,000	$2,207,000	$2,840,000
Balance	**$135,603**	**$359,603**	**$661,603**	**$379,603**

Regional Iowa's TAP Fiscal Constraint Table

Year:	**FFY 2023**	**FFY 2024**	**FFY 2025**	**FFY 2026**
Unobligated Balance	$681,256	-$61,447	-$183,447	-$116,503
RPA-1 Iowa's TAP Target	$236,297	$241,000	$247,000	$252,000
Subtotal	**$917,553**	**$179,553**	**$63,553**	**$135,497**
Programmed Iowa's TAP Fed-Aid	$979,000	$363,000	$180,056	$133,000
Balance	**-$61,447**	**-$183,447**	**-$116,503**	**$2,497**

In addition to project funding, cities, and counties within the RPA-1 region must demonstrate the existence of reasonably expected funds that will be available to implement the TIP and adequately operate and maintain federal-aid highways. The following tables demonstrate the projected operations and maintenance costs for the federal-aid system and the non-federal-aid revenue available to support those functions.

O&M Costs and Non-Federal Revenue Forecast Tables

Forecasted Operations and Maintenance Costs - FA System				
Operations:	**SFY 2023**	**SFY 2024**	**SFY 2025**	**SFY 2026**
Cities	$1,824,489	$1,897,468	$1,973,367	$2,052,302
Allamakee County	$656,258	$682,509	$709,809	$738,201
Clayton County	$1,022,009	$1,062,890	$1,105,405	$1,149,621
Fayette County	$1,033,181	$1,074,508	$1,117,488	$1,162,188
Howard County	$597,797	$621,709	$646,577	$672,440
Winneshiek County	$985,889	$1,025,325	$1,066,338	$1,108,991
Total Operations:	**$6,119,623**	**$6,364,408**	**$6,618,984**	**$6,883,744**

Maintenance:	**SFY 2023**	**SFY 2024**	**SFY 2025**	**SFY 2026**
Cities	$833,352	$866,686	$901,353	$937,407
Allamakee County	$1,413,868	$1,470,422	$1,529,239	$1,590,409
Clayton County	$1,578,383	$1,641,518	$1,707,179	$1,775,466
Fayette County	$1,285,510	$1,336,931	$1,390,408	$1,446,024
Howard County	$1,154,946	$1,201,144	$1,249,189	$1,299,157
Winneshiek County	$1,688,419	$1,755,956	$1,826,194	$1,899,242
Total Maintenance:	**$7,954,477**	**$8,272,656**	**$8,603,563**	**$8,947,705**

Total O & M:	**$14,074,100**	**$14,637,064**	**$15,222,547**	**$15,831,449**

Forecasted Non-Federal-Aid Revenues				
	SFY 2023	**SFY 2024**	**SFY 2025**	**SFY 2026**
Farm to Market	$6,562,054	$6,693,295	$6,827,161	$6,963,704
Secondary Road Fund	$41,593,834	$42,425,711	$43,274,225	$44,139,709
City Street Fund	$32,470,771	$33,120,186	$33,782,590	$34,458,242
Total Revenues:	**$80,626,659**	**$82,239,192**	**$83,883,976**	**$85,561,655**

Forecasts were projected using a 4% inflation rate for expenses and a 2% inflation rate for revenues. Rates are based on a five-year historical trend for the region. Baseline data for the projections comes from the following reports compiled by the Iowa DOT:

1) 2021 County Secondary Road O&M Data
2) 2021 County Secondary Road Fund Receipts
3) 2021 County Farm to Market Receipts
4) 2021 City Street Finance Report O&M Costs
5) 2021 City Street Finance Report Receipts

PUBLIC PARTICIPATION PROCESS

RPA-1 seeks to engage the public in all transportation planning efforts. All meetings of the Transportation Policy Board and its advisory committees are open to the public and agendas are generally posted one week (and no later than 24 hours for special circumstances) in advance of the scheduled meeting dates. Agendas are posted at both offices of UERPC (Postville and Decorah), on the UERPC website (www.uerpc.org) and are announced through social media as well. UERPC utilizes both Facebook and Twitter for social media messaging. When Transportation Policy Board meetings include a public hearing, notice of the public hearing is posted at both offices of UERPC, on the website, on social media sites and in a newspaper of general circulation. Public comments are accepted via email, verbally, in writing or by submitting a comment through the "Items for Public Comment" section on the website. UERPC also distributes a monthly newsletter through which some notices are provided if the timing of its release is appropriate for the announcement. Minutes from board and committee meetings are posted on the website and are available by request from UERPC offices.

Public participation for the development of the Transportation Improvement Program occurs at several stages, beginning with the project application process. The public is invited to attend and participate in the meetings at which the proposed projects are discussed and selected. For enhancement projects, a few members of the general public are also asked to score the applications within each county. Once the draft TIP has been created, the document is placed on the UERPC website for additional public review and comment. A final public hearing is held by the Policy Board before approval and submission of the final TIP.

TIP REVISION PROCEDURES

From time to time, the Transportation Improvement Program may require revisions between annual updates. There are two types of revisions: amendments (major revisions) and administrative modifications (minor revisions). All TIP projects, including Swap and federal-aid projects, will undergo the same revision process until and unless the RPA-1 Transportation Policy Board develops and adopts separate procedures specifically for revisions to Swap projects. RPA-1 utilizes the following definitions and thresholds to determine whether a change is considered an amendment or an administrative modification:

1) An **amendment** is a revision to the TIP that involves a major change to any project within the TIP. This includes an addition or deletion of a project, a major change in project cost, additional federal funding for a project (or a change from state to federal funding), or a major change in design concept or scope (e.g. changing project termini or the number of through lanes). If the change to the TIP is an amendment, there are two primary procedural requirements: that the amendment follow the agency's public participation process, and that it be approved by the Transportation Policy Board. In addition, when the TIP is amended, the RPA is required to re-demonstrate fiscal constraint of the TIP/STIP. Changes to projects that are included for illustrative purposes only do not require an amendment.

2) An **administrative modification** is a revision to the TIP that involves minor changes such as project phase costs that do not constitute a "major" change, scheduling changes to projects within the four years of the TIP and minor changes to the project scope. An administrative modification is a revision that does not require public review and comment.

The parameters for determining whether a revision constitutes an amendment or an administrative modification are as follows:

1) **Project costs** - Determination will be made based on the percentage change or dollar amount of change in federal-aid. Projects in which the federal-aid has been changed by more than 30% or total federal-aid increases by $2.0 million or more will require an amendment. Anything less can be processed with an administrative modification. When funding changes from state to federal (i.e. the project is “federalized”), an amendment is required.

2) **Schedule changes** - Changes in schedules to projects which are included in the first four years of the TIP/STIP will be considered administrative modifications. Projects which are added or deleted from the TIP/STIP will be processed as amendments.

3) **Funding sources** - Additional federal funding sources to a project will require an amendment. Changes to funding from one source to another will require an administrative modification (unless the change is from state to federal, as per number 1 above).

4) **Scope changes** - Changing project termini or changing the amount of through traffic lanes will be processed as an amendment. Other examples of changes that require amendment are changing the type of work from an overlay to reconstruction or changing a project to include widening of the roadway.

RPA-1 processes amendments through a documented public hearing and subsequent Policy Board approval (see public participation process for public hearing). Administrative modifications requested by the project sponsor are processed by UERPC transportation planning staff by seeking the approval of a review committee consisting of both the Chair of the Technical Committee and the Chair of the Policy Board. The Policy Board is updated and informed of any administrative modifications at each meeting of the board. Upon approval for either amendments or administrative modifications, UERPC transportation planning staff update the project in IDOT’s online project programming database.

APPROVAL RESOLUTION

UPPER EXPLORERLAND TRANSPORTATION POLICY BOARD
REGIONAL PLANNING AFFILIATION 1 (RPA-1)
RESOLUTION 2022 - 03

RESOLUTION TO APPROVE
THE RPA-1 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) for
FEDERAL FISCAL YEARS 2023-2026

WHEREAS, the Iowa Department of Transportation requires RPA-1 to develop annually a Transportation Improvement Program (TIP) that demonstrates fiscal constraint of Surface Transportation Block Grant (STBG)/Swap and Iowa's Transportation Alternatives Program (Iowa's TAP) funds to be used in the RPA-1 region, and which identifies the transportation projects on which state and/or federal funding are programmed to be used over the course of the upcoming four federal fiscal years (FFY) for the RPA-1 region; and

WHEREAS, members of the public as well as the Upper Explorerland Transportation Policy Board and committees have had a chance to review and comment on the draft RPA-1 TIP for FFY 2023-2026, in accordance with the RPA-1 Public Participation Plan;

BE IT THEREFORE RESOLVED that the Upper Explorerland RPA-1 Transportation Policy Board hereby approves the RPA-1 TIP for FFY 2023-2026.

Passed and adopted this 13th day of July, 2022

Signed: _____
Mark Vick, Chair
Upper Explorerland RPA-1 Transportation Policy Board

Attest: _____
Aaron Detter, Transportation Planning Administrator
Upper Explorerland Regional Planning Commission/RPA-1
